____ Mother/Guardian's Name: _____

Work or Cell Number: (____) _____

____ Father/Guardian's Name: _____

Work or Cell Number: (____) _____

Career Exploration Programs

The **Transitional Career Experiences** (TCE) program is a 1-year long course that rotates each nine weeks among the following career areas:

Auto Care for Students

Trades and Industry

Foods and Hospitality Services

Professional Image

Students in the **TCE** program will attend a three period block each day that will rotate (one career area per grading period) through four different career areas. In addition to exploring four different career-technical areas, the **TCE** students will receive computer and employability skills, as well as a comprehensive **Career Assessment that** will assist them in formulating their own career plans.

Students who successfully complete their rotations are encouraged to apply to enter the 2-year (junior and senior years) career-technical education program that best conforms to their individual interests and abilities, but this is not required.

The Millstream Career & Technology Center and its staff are dedicated to providing equal educational opportunities without regard to gender, race, color, creed, national origin, religion, age or handicap / disability.

Agreement

Students will be considered for admission to Millstream Career & Technology Center on the basis of attendance and home school recommendations.

Commitment: I understand that if accepted into a Millstream program I am making a commitment to complete the program.

Signature of Student

Date

As a parent/guardian, I have reviewed this application and support my son's/daughter's intent to attend Millstream Career & Technology Center. In addition, as part of the TCE program, I agree to include a Career Assessment* for my child.
